

TRADE IN AND SAVE

IT **PAYS** BACK

STAPLES AND HP TRADE IN AND SAVE 2010 PROGRAM

Buying a new HP printer can more than pay for itself

New HP printers and Original HP printer cartridges deliver more than consistent, reliable printing. They can boost productivity, cut costs and reduce your impact on the environment. No wonder they're the standard for millions of businesses today.

Why should you trade in your old printer?

- New HP printers are often faster than older models
- A duplex printer that prints on both sides of a page can reduce paper usage by up to 50%
- Save even more by using high-capacity printer cartridges that yield more prints than standard cartridges, which results in a lower cost per page

Trade in and save

For a limited time, when you purchase any qualifying HP LaserJet or HP inkjet printer \$299 and above and return your old desktop printer (any brand, any condition) to Staples or HP, you can **save \$50**. Staples and HP will even recycle your old printer for free.

This promotion runs January 3, 2010 through April 3, 2010, and is valid in the U.S. only.

Two ways to save!

In-store:

Bring your old printer into any Staples store and receive \$50 instantly off the purchase price of a qualifying HP LaserJet or HP inkjet printer.

Online:

1. Purchase any HP product from the list of qualifying products.
2. Complete the online claim form on www.hp.com/go/printertrade within 45 days of your purchase.
3. HP will send you a confirmation e-mail when the claim is received.
4. Fax, e-mail or mail the confirmation e-mail and proof of purchase to HP. Please write the serial number of your new printer(s) on the sales invoice prior to mailing.
