

Brother™ iPrint&Scan

A printing app for your Apple® and Android™ Mobile Devices

Brother™ iPrint&Scan is a FREE printing app that enables you to print (JPEG, PDF, & web page) from and scan to your Apple® iPhone®, iPad™, iPod touch® or Android™ mobile device on your wireless network.▲

Plus, check out these new features:

Apple®

- Save scanned images to your photo albums, to iCloud, or send them in an e-mail
- Clipboard print lets you print any copied images or text in a screenshot format
- Web Print lets you print a web page

Android™

- You can now print a secured PDF
- Web Print lets you print a web page

Just download the app and it will automatically search for supported devices on your local wireless network.
