

HP 1040 Fax

Work productively with HP's affordable, easy-to-use fax with phone for high-quality personal and business communications. Save time with 14.4 Kbps modem, 100-page fax memory, efficient scan-to-fax technology and make up to 75 copies at your desk.

Versatile fax with phone

- Communicate more efficiently with HP's versatile, high-quality business fax with phone and copy capabilities. Print and copy personal and business communications at up to 300 x 300 dpi* for crisp, clear black-and-white output on everyday paper.
- Save time with advanced fax capabilities—scan-and-fax, delayed send and forward

Quick and reliable

- Send important faxes quickly and reliably—as fast as 6 seconds per page—with 14.4 Kbps modem. Save time by using HP's 10-sheet auto document feeder to send out multiple faxes. And print large-volume faxes more conveniently with 50-sheet paper tray.
- Your HP fax is backed by a one-year limited warranty

Save time with fax queueing

- Save time and work more productively with easy fax queueing. Use convenient scan-and-fax technology to quickly scan and queue multiple outgoing faxes even while transmitting faxes. Incoming faxes are safely stored in 100-page fax memory.

Easy to use

- Work with ease—10 one-touch buttons and 80 speed dials save time and effort

Block junk faxes

- Block junk faxes using caller ID to screen all incoming fax numbers. Once displayed, unwanted numbers can be easily programmed into your fax caller ID** memory to automatically screen and block future fax transmissions.

Convenient desktop copying

- Easily make up to 75 high-quality black-and-white copies right at your desk. Conveniently collates multi-page documents in same order as originals at up to 4 copies per minute in draft mode. Plus, reduce or enlarge your copies by 50 to 125 percent.

*When printing in photo mode

**Requires caller ID service, not included; price and service contract must be purchased separately

HP 1040 Fax
