

CardScan[®] executive

High-performance contact management for high-impact professionals

From the trusted company that's been **leading business card scanning** for over 14 years, CardScan Executive is the long-running flagship product.

- The fastest scan speed - scans in color in about 3 seconds
- Capture contact information from almost anywhere (business cards, email signatures, web pages and more)
- Easy-to-use software for searching, sorting, categorizing, mapping addresses, printing labels, and much more
- Includes online backup, web access and updating service
- Works seamlessly with Outlook[®], Palm[™], Windows[®] Mobile, ACT![™] Standard, Lotus[®] Notes[®], Mac Address Book[†] and more
- Free unlimited technical support
- Recognizes 7 languages from 14 different countries' business cards
- For individual use; upgrade-capable to CardScan Team
- Try it risk-free for 30 days
- Print DYMO[®] LabelWriter[®] printer labels in two clicks of your mouse (product sold separately)

"I think CardScan should be mandatory in every office of every business.... It's that good."

Colin Baird
Account Manager
