

Magellan® RoadMate™ 2000

Portable Auto Navigation

Product shown at actual size.

Turn it on and go™

Small • Powerful • Affordable

Powerful, yet easy-to-use

Magellan RoadMate 2000 is Magellan's first pocket-sized, full-featured GPS vehicle navigation system under \$400. The easy-to-use touch screen helps you find a new address, plan a trip or find a point of interest in a snap. Key features include:

- Turn-by-turn voice guidance to virtually any destination in the continental United States
- Advanced routing and look-up options

Small and Affordable

- Sleek, intelligent, compact design (4.3" W x 3.4" H x 1.1" D)
- Affordable at under \$400 (minimum advertised price)

Simulation (Demo) Mode

Built-in simulation mode (aka demo mode) guides users to any destination using voice and interactive mapping. Just follow the easy set-up instructions to activate simulation (demo) mode for in-store use.

Other Product Features

SmartDetour™:

Automatically prompts you to route around sudden, slowed or stopped traffic on freeways, highways or motorways

QuickSpell™:

Intelligently sorts, searches and checks spelling for rapid address entry with minimal keystrokes

Auto-reroute:

Re-calculates a new route automatically if you miss a turn

Accurate, built-in maps:

Pre-programmed with NAVTEQ™ maps of 48 continental United States

Look-Up Options:

Look up any destination by address, street intersection and points of interest using fingertip touch interface
