

MOTOROLA

MOTOROLA BLUETOOTH® HEADSET H700

A Tradition of Excellence

- » Proven fifth-generation headset technology
- » Premium wireless experience for always on-the-go mobile consumers
- » 30% reduction in size and weight from its predecessor
- » Appeals to the discriminating and fashion conscious consumer

Head Turning Looks

- » Upscale eye-catching stylized design
- » Award-winning RapidConnect™ iconic folding microphone boom

Comfort to the Nines

- » Optimal curvature of earhook resulted from extensive research
- » Ergonomic, lightweight and ultra-comfortable fit

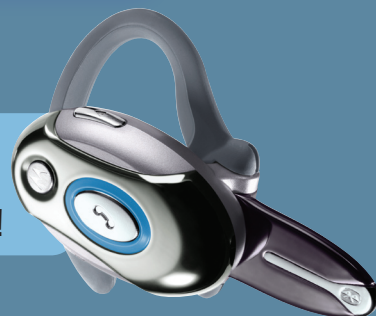

Yes, There's Still More

- » Excellent audio performance
- » Noise reduction and echo cancellation technology
- » Up to 6 hours of talk time and 200 hours of standby time
- » Only 1 to 2 hours charging time
- » Wirelessly connects up to 10 meters (30 feet) from your Bluetooth enabled phone (Class 2)¹
- » Compatible with Motorola & OEM Bluetooth v1.2 mobile phones (backwards compatible with Bluetooth v1.1)
- » Bluetooth 1.2 offers better call quality with less interference and faster connections than 1.1

I'm a no-strings-attached guy, and that extends to my premium headset of choice, the Motorola H700. Wearable wireless gives me the freedom to move.

With LED colors telling me when the battery is low, in pairing mode and charging – this headset is virtually hassle-proof! No wonder it never leaves my ear.
