

Magellan® Maestro™ 4040

Portable GPS Auto Navigation

Turn it on and go™

**Built-in Travel
Information**

New AAA Travel Information

AAA-enabled for a superior navigation experience!

- AAA TourBook® guide travel information
- AAA Member Roadside Assistance details
- AAA Show Your Card & Save® Member Discount locations

Wide Screen. Feature-Packed. Easy to Use.

The Magellan Maestro 4040 delivers the best navigation experience possible. It is the seventh generation of vehicle navigation devices from Magellan and delivers an outstanding combination of elegant design and ease of use, plus the essential features that Magellan users expect.

Key Features:

- New 4.3" WQVGA full-color, anti-glare, touch-screen display
- Newly-designed, intuitive user interface makes the Maestro the easiest GPS to use that is available today
- New look and function with a thin, stylish, industrial design
- SiRFstarIII™: fastest GPS position accuracy in the industry

Easy-to-Use Navigation

The Maestro 4040 features a new intuitive user interface that guides drivers to their destination via voice and on-screen prompts.

Product shown at actual size.

Key Product Features

NAVTEQ ON BOARD®:

Includes maps of the United States, Canada, and Puerto Rico.

4.5 Million Searchable Points of Interest (POIs):

Advanced address entry process enables users to enter street name or direction (e.g. Main, N Main, or N. Main). Users can also search for restaurants, hotels, airports, gas stations, and more—with telephone numbers and addresses.

SayWhere™:

Text-to-speech enables you to hear the name of the next turn, including specific audible and visual directions.

Bluetooth® Compatibility:

Designed for the business mobile user who requires hands-free cell functionality. (Requires a Bluetooth-compatible cell phone.)

Traffic Upgradeable:

Designed for upgrade to the optional Magellan TrafficKit™ for real-time traffic service.

From the creators of **Hertz NEVERLOST®***

*Features, functions and performance of the Magellan Maestro are not identical to the Hertz NeverLost®

Set-Up Information

Product Number	980920-01
UPC Code	7 63357 11694 6
Harmonized Code	8526.91.0030
Product Dimensions	3.75" H x 5.0" W x 0.88" D
Product Weight	8.5 oz.
Screen Display Size	4.3" diagonal
Screen Resolution	480 x 272 WQVGA; 64,000 colors
Package Dimensions	6.25" H x 10.0" W x 3.5" D
Unit Weight per Box	2.1 lbs.
Units per Case Pack	8
Case Pack Dimensions	13.5" H x 14.3" W x 10.5" D
Case Pack Weight	18.8 lbs.
Pallet Quantity	240
Pallet Weight	590.0 lbs.
Pallet Dimensions	45.5" H x 48.0" W x 40.0" D
Warranty	1 Year
Warranty for AAA members	2 Years (with valid AAA membership, requires Magellan registration within 60 days of purchase)
Country of Origin	China
