- Plug & go
- Award-winning navigation software

**Best Routing & Traffic Updates**

- QuickGPSfix™
- Traffic ready

**Best Maps**

- Latest Map Guarantee
- Correct your map and benefit from others' corrections with TomTom Map Share™

**Leader in Safety**

- 'Help Me!' emergency resources menu
- Safety preferences

TomTom ONE 130•S's distinctive design puts a full-size touchscreen and the power of GPS in a slim, lightweight device. Switch on and go right out of the box. The crystal-clear display, 3D graphics and turn-by-turn spoken instructions including street names help you find your way to any address in the US and Canada – all with just a few taps of the screen. Foldable EasyPort™ mount makes it easy to take it with you from car to car. TomTom has the most accurate maps and with TomTom Map Share™ technology you can instantly modify street names, street direction, and POIs on your own device. And now, there are added safety features so you can easily access local emergency providers. No activation, no monthly fees.

**What's In The Box?**
