

GPS Navigator

NAVIGON 2100/2120 *max*

FEATURES OTHERS CAN'T TOUCH

- > A stunning and easy to read 4.3" screen
- > Lane Assistant and Reality View™ for extra guidance when most needed
- > Spoken street names via text-to-speech
- > DirectHelp™ for emergency and roadside information and assistance
- > Up to 12 map updates when you accessorize with FreshMaps¹

EASY WIDESCREEN NAVIGATION WITH TEXT-TO-SPEECH AND REALITY VIEW™

Meet the NAVIGON 2100/2120 *max*, the GPS device recognized for its ultra-thin, stylish design, 4.3" touchscreen display, and advanced features you won't find anywhere else. Exclusive Reality View™ displays 3D images and actual road sign text for extra guidance when you need it most. Lane Assistant gives drivers a heads-up about the

best lane to drive in relation to the route. Text-to-speech enables spoken directions and street names. DirectHelp™ pinpoints a user's location and provides instant links to nearby emergency and roadside services. Feature for feature, no other GPS device on the market comes close to matching the NAVIGON 2100/2120 *max*.

No more wondering what lane you need to be in to stay on course. Your NAVIGON 2100/2120 *max* will guide you with simple to follow lane guidance with arrows so you can make your turn and stay on track.

> Innovative Design

The NAVIGON 2100/2120 *max* stands out with its ultra-thin, stylish design that has produced numerous awards for past NAVIGON products. It looks as good in your hand as it does on the dash.

> Accessorize with FreshMaps'

A GPS system is only as accurate as the map data that drives it. NAVIGON's exclusive FreshMaps keeps your GPS device up-to-date and accurate for years. FreshMaps provides up to 12 field-tested map updates in three years. Just plug in to your computer and refresh your NAVIGON 2100/2120 *max* with the most accurate content available. Sold separately.

1) Internet access is required to use the NAVIGON FreshMaps feature. Your NAVIGON FreshMaps subscription includes three years of complimentary map downloads (up to twelve sequential map updates). For FreshMaps accessory activation cards purchased, you must register your product at www.navigon.com/freshmaps within 60 days from the date of purchase of the accessory to qualify for updates. NAVIGON may require that software upgrades be downloaded to your device to receive FreshMaps updates. These software upgrades may potentially change your user experience. Retain proof of purchase to assist with future customer support. 2) Excludes Hawaii and Alaska. 3) NAVIGON's Lifetime Traffic™ is currently available in 80 markets in the U.S. and Canada. The service is only available where Total Traffic Network RDS-TMC coverage exists. Coverage areas can expand or change without notice. Service is available for the life of the product as long as coverage exists.
