SUPERB GPS THAT RE-ROUTES YOU AROUND TRAFFIC, FOR FREE AND FOR LIFE

Only NAVIGON provides free real-time traffic updates for the life of the product² and makes it this accessible. No other competitive product in this or any price category comes close.

Just open the box, turn it on, and find the fastest way to your destination—avoiding traffic as you go². Whether you're driving cross country or across town, the NAVIGON 2200T will alert you to upcoming traffic. Color-coded incident icons make it easy to tell exactly what's going on, where the

incident is, and, with one click, the best way to get around it.

The NAVIGON 2200T offers a range of other outstanding features. Next generation Reality View™ Pro provides 3D visuals of complex highway interchanges and now includes exits so you never miss another turn again. Advanced Text-to-Speech Voice Guidance speaks directions and street names. And DirectHelpSM provides easy access to emergency services information and directions.
