

Brother™ iPrint&Scan

A free app download for your Apple® and Android™ mobile devices

Brother™ iPrint&Scan is a FREE app download that enables you to print (JPEG, PDF, web page, & e-mail)¹ from and scan to your Apple® iPhone®, iPad®, iPod touch® or Android™ mobile device on your wireless network.²

Plus, check out these new features:

Apple®

- Print your documents saved to the Brother iPrint&Scan app from your mobile device through iTunes File Sharing³
- Save and print scanned images to your photo albums, to iCloud, or send them in an e-mail
- Clipboard print lets you print any copied images or text in a screenshot format
- Web Print lets you print a web page

Android™

- Print a secured PDF and Gmail account e-mail
- Web Print lets you print a web page

Just download the app and it will automatically search for supported devices on your local wireless network.
