MFC-7460DN
Compact Laser All-in-One with Networking and Duplex Printing

The MFC-7460DN is a great addition to any small office or home office. Delivering fast print and copy speeds while producing professional-quality output, this compact - yet powerful machine is ideal for producing the everyday documents that make up the output of today's busy office. Reliable and hard-working, this all-in-one includes built-in networking to allow sharing with multiple users. In addition, the MFC-7460DN offers a built-in duplex printing capability for producing two-sided output with ease.
