*With any new account approval. Offer subject to change without notice. Additional terms and conditions may apply. Offer available only in the United States. Talk to a representative for complete details.

**\$200 worth of processing fees credits when you sign up and are approved for a new merchant processing payment account by 12/31/14. Upon activation, fee billing system calculates processing fees (including equipment fees) and refund is systematically added to merchant statement during month end process until processing fees of \$200 has been credited. Other terms and conditions may apply and are subject to change without notice. Call for details.
