Description

Venture out with the confidence of digital on board satellite navigation with the incredible Invion 3.5" Digital GPS Navigation. The sleek 3.5" LCD screen displays vibrant detailed street directions, photos and videos. The hi-tec design fits perfectly into any vehicle interior decor. This unit displays photos, videos, and even plays music directly from an SD media card. Just download your favorite content onto the SD card and you're ready to go. Choose from night vision viewing in both 3D and standard portrait screen viewing options. The included Universal 360 degree swivel mount allows for your choice of the ideal viewing location. Please check local and state laws for the legal viewing locations.
