

# Sandwich/Salad Refrigerated Prep Tables

**Model Numbers: SSPT1R-1, SSPT2R-1, SSPT2R6-1, SSPT3R-1**

## Supera® Refrigeration

It's frustrating to pay more for features that should be standard. Supera® gets that and offers standard features like door locks, factory-installed casters and a 90° stay-open door for every refrigeration unit. See how Supera®'s simple solutions can enhance the cold storage options in your restaurant!

## FEATURES

### Full-Length Cutting Board

Each Supera® Sandwich/Salad Prep Table is equipped with a full-length polyethylene cutting board. This durable, sanitary surface is perfect for preparing salads, sandwiches and other side dishes. The cutting board is easy to work on and easy to clean.

### Solid Construction – Inside & Out

The exterior of each Sandwich/Salad Refrigerated Prep Table features stainless steel on the front and sides. The interior of the refrigerated cabinet are made from stainless steel, making it easy to wipe down and clean. The durable construction can withstand all of the hustle and bustle of busy foodservice environments.

### Storage for Every Need

Every Sandwich/Salad Refrigerated Prep Table comes with 1/6 size 4" deep pans to house all of your toppings and prepped food. The ingredient rail holds two rows of 1/6 size food pans. The refrigerated cabinet has stainless steel doors that stand open past 90° to help you reach all of your stored items. They are also self-closing when opened less than 90°.
