Need to file a state return?

One state program included††—a \$29.95 value

You must agree to the license agreement within this program in order to use or install this software. Visit www.taxcut.com/license to review the license agreement. If you do not accept the terms of the license agreement, you should immediately return the software for a refund. †Basic Federal+e-file, Premium Federal+e-file, and Premium Federal+State+e-file all include one federal e-file free. State e-file available within the program for an additional fee. You may e-file up to five returns; additional fees will apply after first e-file. State e-file not available for NH or TN. ††One state program download is included with the purchase of the software. Additional state programs extra. Most state programs available in January. Release dates vary by state. The following states do not support part-year/nonresident forms: DC, DE, HI, LA, ND, VT, WV. *Worry-free Audit Support is available only for clients who purchase and use H&R Block tax software or online tax preparation solutions to prepare and successfully e-file their 2008 individual income tax return (federal or state). It does not provide for reimbursement of any taxes, penalties, or interest imposed by taxing authorities. Additional terms and restrictions apply; see www.taxcut.com for complete details. **If you're not completely satisfied with H&R Block TaxCut, return it within 60 days of your purchase and we'll refund the purchase price, less shipping, handling, and sales tax. See inside for details. #Purchase of the software entitles you to one session with an H&R Block tax professional.
